Owner's Covenant

- A. Any grading, special ditching, alteration of slopes or any other disturbance on any portion of the highway right of way shall be restored and at the expense of the applicant to the condition of the prior to such disturbance and to the satisfaction of the Fond du Lac County Highway Department. If the restoration work or any damage caused to the highway right of way by the applicant cannot or will not be restored voluntarily, the highway authority may complete the restoration at the expense of the owner adjoining the Highway.
 - B. The entire cost of driveway construction or installation shall be the obligation of the applicant.
 - C. The driveway approach will match the edge of the shoulder grade. Driveways shall not be sloped to the existing edge of the traveled road.
 - D. The driveways authorized by this permit shall be installed within 90 days from the date of approval. The Fond du lac County Highway Department reserved the right to require applicant to reapply for said permit after the time expires.
 - E. The permittee, his successors, or assigns agree to hold harmless the Fond du Lac County Highway Commission and its duly appointed agents and employees against any actions for personal injury or property damage sustained by reasons of the issuance or exercise of this permit.
 - F. Driveway shall be perpendicular to the County Highway and not exceed 6% grade in the right of way.
 - G. **No Concrete Driveways will be allowed within 10' of the road surface. Gravel or paved asphalt only!**
